

REMARKS

The office action of February 27, 2007, has been carefully considered.

It is noted that claims 1-23 are objected to for containing various informalities.

Claims 1-23 are rejected under 35 U.S.C. 112, second paragraph.

Finally, it is noted that claims 1-223 would be allowable if amended to overcome the rejection under 35 U.S.C. 112, second paragraph.

In view of the Examiner's rejection of the claims, applicant has canceled claims 1-23 and added new claims 24-46.

It is respectfully submitted that the claims now on file particularly point out and distinctly claim the subject matter which applicant regards as the invention. Applicant has drafted the new claims to address the instances of indefiniteness pointed

out by the Examiner.

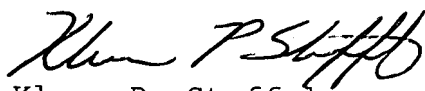

In view of these considerations it is respectfully submitted that the rejection of claims 1-23 under 35 U.S.C. 112, second paragraph is overcome and should be withdrawn.

It is respectfully submitted that the claims now on file are in condition for allowance.

Reconsideration and allowance of the present application are respectfully requested.

Any additional fees or charges required at this time in connection with this application may be charged to Patent and Trademark Office Deposit Account No. 11-1835.

Respectfully submitted,

By
